

SEPARATE PEACE WITH SHOPMEN IS AIMED AT BY SIX LEADING ROADS

That Was One of Outstanding Features of Rail Strike, Which Entered Upon Its Fourth Week To-day—Hooper Goes to Washington to Report to Harding

RAIL CLERKS THREATENING TO QUIT WORK

And Maintenance of Way Men May Go Out on Any Railroad Which Refuses to Meet Men to Adjust Wage Differences, According to Pres. Grable

Chicago, July 22 (By the Associated Press).—As the railroad strike to-day entered its fourth week, negotiations for peace took a new turn and expectancy turned to Washington, where Chairman Hooper of the railroad labor board was called for a conference with President Harding, and to the efforts of six leading railroads to make separate peace with their striking shopmen. A conference between W. L. McMenimen of the railway labor board and Secretary of Labor Davis, at Moosehart, Ill., also was regarded as a possible producer of a peaceful gesture.

Reports from half a dozen cities that approximately 18,000 clerks and other railway employees had voted to walkout and new indications that Canada was facing a shopmen's strike, added to the war talk, however, as President Grable's statement that any railroad that refused to meet with committees of maintenance of way men to adjust wage differences would face a strike of these workers.

A new note in the demand of the strikers was made evident by the statement of Samuel Gompers, president of the American Federation of Labor, inviting the government to stop striking coal miners and shopmen and their respective employers to begin direct negotiations, coupled with the action of representatives of the "Big Four" railroad brotherhoods in urging Congress to facilitate a return to the direct parity system of settling disputes.

Meanwhile eight railroads issued cancellation orders for branch line trains, swelling the number of annulments to well over 300.

State troopers continued on guard in eight states, while additional guards were placed on duty in various cities. The most notable instance was in Fremont, Neb., where more than a hundred of the city's business and professional men were deputized as peace officers and as their first official act escorted back into town eleven non-union employees of the Chicago and North-western railway, who were said to have been driven out of town by strike sympathizers.

While officials of the maintenance of way men's union at Detroit discussed the question of punishing members of their union who had struck without sanction, maintenance men of the Pennsylvania between Portage and Altoona, Pa., walked out in protest against a wage cut.

Governor Stephens of California said that farmers and fruit growers were unduly fearful of the ability of railroads to move fruit and other crops and declared that the roads had reported to him that they could handle more fruit than was offered.

COMPANY UNIONS ARE CONTEMPLATED

By Eastern Railroads With View To Separate Peace.

New York, July 22.—Efforts by eastern roads to bring about individual agreements with their shopmen were forecast to-day on the basis of a statement by J. F. Loree, president of the Delaware and Hudson railroad, and chairman of the eastern presidents' conference, that the carriers in this part of the country were planning to form company unions.

These, he said, would consist of the new employees and those who remained at work when the strike was called under this plan, whenever future labor difficulties arise, each railroad would negotiate separately with its men.

HOOPER IN WASHINGTON.

Goes There to Tell Harding Some of the Facts.

Washington, D. C., July 22 (By the Associated Press).—Chairman Ben W. Hooper of the railroad labor board, arriving here to-day in response to a summons from the White House, went into conference with President Harding prepared to give the executive a complete survey of the railroad strike situation and the recent negotiations conducted with a view to bringing about a settlement.

SIGN STILL UP.

And William Allen White Has Not Been Arrested.

Emporia, Kan., July 22 (By the Associated Press).—Governor Henry J. Allen had failed early to-day to persuade his lifelong friend, Editor William Allen White, to remove from the window of the Emporia Gazette's office a placard expressing sympathy with the striking railroad shopmen and a conference at Topeka to-day was to decide who should swear to the information on which it was expected Mr. White would be arrested.

Mr. White had not removed the placard this morning. It announces, "We are for the striking railroad men 50 per cent." The governor holds that displaying the card is a violation of the state court of industrial relations law which forbids picketing.

Mr. White expected his arrest yesterday. He had already prepared a statement which was to be issued after his arrest. In this statement he reiterated his support of the industrial court law, saying, "however, that he would fight to the end any attempt to hinder free speech or a free press, which, he declared, orders to remove the 'sympathy' sign amounted.

EFFORTS TO RESTORE COAL MINING

Conference Will Be Held Monday in Scranton, Pa., With John L. Lewis Participating.

Washington, D. C., July 22.—In an effort to bring about resumption of mining operations in the anthracite coal fields, a conference in which John L. Lewis, head of the United Mine Workers, is expected to participate, will be held Monday either in Scranton, Pa., or New York, John F. Durkan, mayor of Scranton, announced to-day after he had conferred with President Harding regarding the situation.

ITALY'S UNCERTAINTY.

Cause of Delay in Decisive Action on Draft Mandates.

London, July 22. (By the Associated Press).—Certain uncertainty regarding Italy's attitude toward the Palestine and Syria mandates may cause the council of the League of Nations, which has been in session here all this week, to postpone decisive action on the draft mandates until its next meeting in September.

The council is giving close study to Austria's situation in the light of recent events, and is much encouraged by the reported willingness of the reparations commission to suspend its claims against Austria for twenty years.

PUT "DUMMY" IN ROAD.

Boys Played Cheap Trick on Motorists.

Buffalo, N. Y., July 22.—After the Tonawanda police had received from half a dozen motorists last night reports that they had run down pedestrians on the Niagara river road, a policeman was sent to investigate. He found three boys placing a "dummy" in the roadway. They were arrested.

One woman driver was prostrated when told by the boys that the "man" run over by her machine was dead. She was taken to a hospital.

ON BUSINESS AND REST.

And Harold F. McCormick Does Not Intend to See Mrs. Cochran.

Paris, July 22.—Harold F. McCormick, on his arrival here to-day from America, told the Associated Press he was in Europe for business and a rest and that he had no intention of seeing Mrs. Alexander Smith Cochran (Mrs. Ganna Walaka), whose engagement to the American Harvester magnate has been persistently reported and denied.

Reports were published a few days ago that Mr. McCormick and the singer expected to meet at Carlsbad in August.

MONTPELIER

Some of those interested in the aeroplane landing field in Vermont will meet on the field in Springfield Monday afternoon for the purpose of re-organization of the Aero Club of Vermont and among those expected, will be a representative of the Barre Board of Trade, who will explain the recent arrangements for the Smith field as one of the landing fields in the state.

A hearing will occur during the day relative to the commitment of Lillian Lee to a state institution for care. She will appear in court on the charge of being a delinquent child. Her companion, Glen Hayford of Hardwick, was sentenced to the house of correction for a period of not less than five nor more than eight years for making wrongful statements when a marriage license was obtained, under which they were married earlier in the week at Worcester. The evidence presented by State's Attorney C. B. Adams tended to show that Hayford brought the child to Worcester and that in getting the marriage license he set up the girl's age as more mature than it really is.

H. E. Bremer of the state department of agriculture left to-day for Greensboro to start Gordon Oakes of Stone as a new tester for the Crafts-Bow Test association. The first part of the week Mr. Bremer will be at the Mount Mansfield creamery.

Manuel Alvares, infant son of Mr. and Mrs. Manuel Alvares of 154 Berlin street, died at Boston hospital this morning. The child was born April 3. The funeral will be held Sunday.

Mervin Cutler broke his arm near the elbow last week.

The Community club held a social at the town hall Tuesday evening.

Dan Adams has moved his family and household goods to Calais, where he has bought a farm.

STATE POLICE ARE SENT OUT

10 Various Railroad Centers of Massachusetts

EAST DEERFIELD AND BILLERICA

Were the Places Referred To Especially By Gov. Cox

Boston, July 22.—Details of state police were on duty at several railroad centers in Massachusetts to-day. Their mobilization was ordered last night by Governor Cox in a communication to Commissioner of Public Safety Alfred F. Foote directing that the men be employed "for service in suppressing disorders and in preserving the peace within the commonwealth." The governor referred especially to rail centers at East Deerfield and Billerica, but details of police were sent to several other points including, it was said, Worcester, West Springfield, Northampton and Readsfield.

The governor also appealed last night to public safety officials throughout Massachusetts to preserve to each individual "his inalienable right to work."

In his proclamation the governor said he believed that the local forces would be able to handle the situation capably, but added that Massachusetts cherishes its good name and is ready now to use every force at its command, whether civil or military.

FIVE DEAD IN WRECK; HEAD-ON CRASH

Several Persons Also Were Injured Near Springfield, Ill., To-day.

Springfield, Mo., July 22.—Five persons were killed and several persons injured this morning when a St. Louis and San Francisco passenger train No. 2, known as the Texas special, struck train No. 9, known as the meteor, in a head-on collision at Logan, Mo., about 25 miles west of Springfield.

A list of the dead and injured was not available. The cause of wreck had not been ascertained.

Joplin, Mo., July 22.—Six persons were killed in the head-on collision of St. Louis-San Francisco passenger trains Nos. 2 and 9, at Logan, Mo., this morning, according to the railroad agent at Marionville, which is near Logan. Besides C. H. Ring, engineer on train No. 9, a man, his wife and three children, on No. 2, were killed, the agent said.

BLAME MORAL DEGENERATE.

For Death of 12-Year-Old Henry McMahon at Salem.

Salem, Mass., July 22.—The autopsy on the body of 12-year-old Henry McMahon, who was found with his head crushed in and mutilated face in the great pastures here yesterday, was not held this forenoon by Medical Examiner Frank S. Alwood as planned but was postponed until 3 o'clock this afternoon.

District Attorney Donnell offered the local police the services of his department, together with his inspectors, to aid in locating the strange foreign-looking man, with whom the boy was last seen going up Highland avenue last Tuesday. While the police believe the boy was murdered by this man, probably a moral degenerate, this will not be officially established until after the autopsy this afternoon.

GERMANY WILL ACCEPT DEMAND

As Made By the Allied Committee on Guarantees

LOOKS FOR PROMPT MORATORIUM

Official Statement Says Demand Imposes Heavy Burden

Paris, July 22 (By the Associated Press).—Germany has formally accepted the demands of the allied committee on guarantees which were presented at Berlin last Tuesday. In a letter to the reparations commission, received to-day, Chancellor Wirth stated that Germany, after profound deliberation, had decided to accept the conditions for the duration of the moratorium, which the German government assumed would soon be granted.

The conditions, the letter points out, place a heavy load upon the German government, and their acceptance is only agreed to by the government and the parliament on the theory that the forthcoming decision on the reparations question will constitute a definite settlement of the chief financial questions which have been the subject of negotiations between the committee on guarantees and the German government.

COAL TO BE POOLED IN EACH DISTRICT

And Distribution Will Be Under Government Authority and Direction.

Washington, D. C., July 22.—While prepared to wait for ten days or two weeks according to present indications to test the success of efforts to resume production at bituminous mines before adopting any drastic course regarding the coal strike, the government to-day was pushing its plans for distribution of the dwindling coal supply to insure continued operation of the railroads and essential industries.

The proposed plan for coal distribution now being formulated, Mr. Hoover announced in a statement last night, involves the pooling of coal in each district and the distribution of cars under government authority and direction.

LACK OF INSPECTION

Was Cause Assigned for Collapse of Williamsett Dam.

Boston, July 22.—Lack of supervision and inspection was one of the reasons assigned for the collapse of the Williamsett dam early last Monday in a report made to Gov. Cox yesterday by Commissioner of Public Works John N. Cole. Action of spring water in softening material under a section of the ore wall of the dam, where there was no sheet piling led to the dam break, according to the commissioner. The surrounding country was flooded to a depth of several feet and property damage was estimated at half a million dollars.

RED CROSS CONVENTION.

Will Be Held in Washington, D. C., in October.

Washington, D. C., July 22.—The annual convention of the American Red Cross will be held in Washington Oct. 9, 10 and 11, with President Harding delivering the opening address, it was announced to-day at headquarters here.

Representatives of 3,626 chapters in the United States are entitled to seats in the convention.

Subjects include interests of the former service man and his family, and the foreign work of the organization.

BATTLE AMMONIA FUMES.

New York Firemen Had Hard Job in Ice Cream Factory.

New York, July 22.—Hundreds living in West 40th and 47th streets were forced from their homes to-day by ammonia fumes that permeated the neighborhood for an hour when a cylinder head blew off at an ice cream factory in Eleventh avenue.

Firemen wearing gas masks went to the basement but the fumes penetrated their clothing and burned them. They then put on rubber suits and succeeded in shutting off the valves.

STRIKE BENEFIT FUND.

Of \$15 a Week for Electrotypes and Stereotypes.

Cincinnati, July 22.—A national defense fund not lower than \$75,000 and a maximum of \$150,000, was endorsed yesterday by delegates attending the convention of the International Electrotypes and Stereotypes' union. The delegates also adopted a strike and lockout benefit fund of \$15 a week.

WAIVERS ON FOUR RED SOX.

Manager and Owner Refuse to Divulge Names.

Boston, July 22.—Waivers have been obtained on four members of the Red Sox squad, it was learned to-day. Manager Duffy and Owner Harry Frazee refused to divulge the identity of the players to be disposed of but said that one of the new players who would wear the Red Sox uniform would be a good shortstop.

CHANGE RACE RULES.

For the International Fishing Schooner Test at Gloucester.

Portland, Me., July 22.—Important changes in the rules for the international fishing schooner race were made at a meeting here, which was not concluded until to-day, of the Canadian trustees of the north Atlantic fisheries and the American race committee. The date of the race, to be held off Gloucester, was changed so that it will be held between October 15 and 25. It was decided that the crew of each schooner should be limited to 30 men, exclusive of the observer, and stipulated that the members of the crew must be men who gain their livelihood as fishermen.

Auxiliary vessels were declared to be eligible if the propeller is detachable and the engine sealed. It was recommended that if any change is made by the trustees in the matter of over-all and water line measurements, the present ones be shortened to 140 and 110 feet respectively. This does not affect vessels already built.

The members of the American committee asked the cup trustees if the Mayflower would be accepted this year in the event she won the American elimination race. They replied that the question of entering the Boston boat had not officially come before them, therefore it had not been considered, but they asked the views of the Americans in reference to this as well as other proposed entrants, stating that their views would be considered at a meeting to be held soon in Halifax.

The suggestion was unanimously adopted that W. J. Roue of Halifax and Designer T. F. McManus of Boston be asked to work out and submit for consideration a displacement rule to prevent the building of extreme types of vessels and to prevent the international trophy from becoming a mere sporting event.

Rule 12 of the deed of gift was changed so that the time limit of the race should be seven hours instead of nine. It was decided that the prize money shall be divided \$3,000 to the winner and \$2,000 to the loser, instead of \$4,000 to the winner and \$1,000 to the loser as formerly.

CANADIANS LOST SECOND.

And Will Play Final Polo Match This Afternoon.

Hamilton, Mass., July 22.—The Myophia Sea Gulls of this town and the Back River Polo club of Montreal met in the international polo match in the afternoon. The Canadian team lost the second match of the series yesterday 5 to 4.

The Myophia club plans to enter a team in the Thousand Islands tournament next month. Teams from Boston, the Myophia club and the Dedham Country and Polo clubs will be represented in the national junior championship at Point Judith Polo club, Narragansett Pier, R. I., in August, it was announced here to-day.

NEW TRIAL MOTION FILED.

In Behalf of Sacco and Vanzetti at Dedham.

Dedham, Mass., July 22.—A third supplementary motion for a new trial for Nicola Sacco and Bartolomeo Vanzetti, convicted of the murder of a paymaster and his guard at South Braintree in 1920, was filed to-day in the Norfolk county superior court. The motion, details of which were made public by counsel for the defendants earlier in the week, attacked the testimony of Carlos B. Goodridge, an identification of the grocer, the grounds that he was a former convict and that he committed perjury at the trial in that his real name is Erastus C. Whitney. The document comprised about 160 typewritten pages.

NEWTON MAN ELECTED.

As President of National Editorial Association.

Missoula, Mont., July 22.—J. C. Brimblecom of Newton, Mass., acting president of the National Editorial Association, was elected to-day to the presidency without opposition at the closing session of its annual convention yesterday.

Wallace Odell of Tarrytown, New York, was named vice president.

The editors went on record as favoring strict enforcement of prohibition and other laws, recommending retention of the veto power, the extension of service, and promotion of strong state organizations.

By Appointment of a Guardian and a Business Manager.

Los Angeles, Cal., July 22.—Jackie Coogan, child screen actor, by acts of the Los Angeles superior court, yesterday acquired a guardian in the person of his mother, Mrs. Lillian Coogan, and a business manager in the person of his father, Jack Coogan. Mrs. Coogan's bond was fixed at \$100,000 and her duties were stated as managing the estate of her son. The parents took this action to quiet gossip that they had been spending the child's earnings.

GOING TO HER WEDDING.

Marilyn Miller to Become Wife of Jack Pickford Aug. 1.

New York, July 22.—Miss Marilyn Miller, dancer and musical comedy star, was on her way to Los Angeles for her wedding on Aug. 1 to Jack Pickford, motion picture actor, a member of her party stated that the wedding would take place in the home of Douglas Fairbanks and that Miss Miller, after her marriage, would continue her stage career.

TO TRY CASE IN COURT.

And Not in Newspapers, Says DeWolf Hopper, Sued for Divorce.

New York, July 22.—Through his attorneys, DeWolf Hopper, noted comedian, announced yesterday he would contest vigorously the divorce proceedings instituted by his fifth wife. The announcement added that, as far as Mr. Hopper and his lawyers were concerned, the case would be tried in the courts and not in the newspapers.

CAR DITCHING LED TO SEIZURE

Officers Found About 120 Bottles of Beer Near E. Montpelier

WHEN MACHINE NOSED INTO BANK

Two Men Taken in Charge and Will Be Heard Later

About 120 bottles of beer were seized by Deputy U. S. Marshal Henry C. Lawson, assisted by Harry Gamble of the Barre police force, from a ditched automobile which, while going fast, failed to complete the turn at a sharp corner on the Barre-East Montpelier road late last night and ran into the bank just west of the East Montpelier station. Ernest Longway and Harold Hauver, both living in the town of Morrisville, were taken in charge by the officers and carried to Montpelier, where they will be arraigned before Commissioner H. C. Shurtleff.

The predicament of the men after they collided with the bank soon became known as the road was being frequently traversed by motor parties going to and from a dance at Woodbury. Reports trickled to Montpelier, and Deputy Marshal Lawson promptly started out on his first liquor expedition since being appointed to his present position, enlisting the aid of the Barre deputy chief of police.

The officers had no difficulty in locating the car as there was a sizeable crowd about, and they picked one of the alleged occupants of the car out of the crowd and trailed another who was walking toward Barre. The car, which is a Hudson, was headed toward Montpelier with its liquid burden of beer carried in bag containers, about two dozen bottles to a bag. Hauver was said to be the owner of the car. Longway formerly worked in Barre but had been living recently near Morrisville.

POLICEMEN GOT TWO BULLETS

In Battle With Four Burglars—Later Left Bloody Trail in Escaping.

New York, July 22.—A pistol battle between a policeman and four men he caught trying to enter a Brooklyn warehouse early to-day continued for ten minutes. The quartet escaped, leaving blood stains along the route, and the policeman, with two bullets in his abdomen and two on his arm, collapsed while pursuing them. He was taken to a hospital where the bullets were extracted.

BRIDGE COLLAPSED; COW KILLED

Herd of 70 Cows in Essex Junction Crowded on Structure.

Essex Junction, July 22.—The highway bridge over Brown's river near the farm of W. H. Whitcomb on the Jericho road gave away Thursday afternoon about five o'clock as the herd of Mr. Whitcomb was being driven over it from the pasture to the barn for the night's milking. There were 70 head in the herd and as they crowded on the bridge, which is a wooden structure about 30 feet long supported by trusses, it gave away on the up-stream side, throwing a number of the animals in the water and engulfing a number of others in the debris. One cow was drowned, while 14 were injured, some quite seriously, so that in the opinion of the veterinarian, who was called some of the animals will be slaughtered.

The farm hands and travelers who happened along, lent their assistance in corralling the herd and driving them to the stables. Mr. Whitcomb has not yet estimated his loss, although it will be a large amount, as much of the stock is blooded and one of the finest herds in town. The selection were at once notified and in a short time were on the scene. The highway has been posted and bared. A slight detour will be necessary for travelers to Jericho and the towns lying east. It is not known at present whether or not the structure will be repaired or replaced with a new one.

OVER 1,000 GUARDSMEN

Ready to Be Assigned to Strategic Points in Pennsylvania.

Pittsburgh, July 22.—More than 1,000 National Guardsmen are in southwestern and central Pennsylvania coal fields, ready to be assigned to strategic points when coal operators attempt resumption of mining activities in compliance with President Harding's order, and under Governor William C. Spruiell's promise of full protection.

VOTED TO CONTINUE STRIKE.

Employees of Union Cotton Mills at Moosup, Conn.

Moosup, Conn., July 22.—Striking employees of the Union Cotton mills of the Aldrich Manufacturing company here to-day voted to continue the strike. This action was taken, they claimed, to offset a company announcement that the mills would be open again Monday.

VOLSTEAD ACT REVISION

Favored By Wisconsin Federation of Labor.

Oshkosh, Wis., July 22.—The Wisconsin Federation of Labor went on record as unanimously in favor of modification of the Volstead act to permit manufacture and sale of light wines and beer, at the closing session of a four-day convention yesterday.

SUICIDE WITH SHOT GUN.

Henry D. Peters of Mendon Had Been Dependent.

Rutland, July 22.—Holding the muzzle of a 12-gauge shot gun to his breast, and with a stick of wood inserted through the trigger guard which he pushed down with both feet, Henry D. Peters, aged 50 years, instantly killed himself in Mendon yesterday afternoon about 3 o'clock. The charge literally tore through his body, some of the pellets entering the heart.

Mr. Peters, who was formerly employed as a teamster, had been in poor health for more than two years, having been in the Rutland hospital for treatment a year ago. He had been dependent but seemed in no different mood yesterday at dinner time than at any other time.

Mr. Peters was born in Mendon 50 years ago and he had passed all his life in that town. His wife died several years ago. He is survived by a daughter, Mrs. Florence Taylor of the Stratton road in this city, a sister, Mrs. Jane Taylor of Wales street, Rutland; four brothers, William Peters of Pittsford, Harley I. Peters of Mendon, Arbie and Carl Peters of Boston.

FOUR MEN SENTENCED.

For Offense Against 14-Year-Old Danville Girl.

St. Johnsbury, July 22.—In Caledonia county court yesterday afternoon Judge Moulton sentenced four men from Danville to hard labor at the state prison in Windsor, all having been convicted of a statutory offense against 14-year-old Sylvia Woodward of Danville, Henry Larue, ex-service man and uncle of the girl, received a sentence of not less than five nor more than seven years. Richard Hartfield, married and father of two children, three to five years; Charles Gray, two to four years, and Napoleon Radtke, married and father of two small children, three to five years.

HEARING FOR JOHN FOWLER.

Following Trouble Between Him and John Ryan at Plainfield.

A hearing took place this morning in probate court relative to John Fowler of Plainfield. Mr. Fowler is an elderly man who made so much excitement in one way and another in Plainfield Friday that he was brought to the county jail and this morning a hearing took place as to his mental condition. It was alleged that Fowler "pulled a gun" on John Ryan when the two men met near their homes and that Fowler was disarmed by Orlando Martin who happened along at the time. It is said that the matter of a sewer entered into the trouble.

CONSIDERABLE CLOUDINESS

Will Be Notable in Next Week's Weather.
